

**MODU-FLEX carts with drawer fronts**

**MODU-FLEX** carts with drawer fronts

**MODU-FLEX** carts with drawer fronts are available in 90 cm and 105 cm high and 40 cm, 60 cm, 2x40 cm, 2x60 cm and 3x40 cm wide version. The drawers suit our ISO modular trays and/or baskets of 5 cm, 10 cm and 20 cm deep. All drawer fronts carry an integrated handle. The telescopes are available with or without softclosing feature.

The **MODU-FLEX** accessory clamps offer multiple possibilities to easily attach various accessories to the carts: push handles, accessory rails, extension units, waste bag holders, risk waist container, IV pole, accessory frames, laptop holder, etc.

By default, each cart carries 4 double swivel wheels with a diameter of 100 mm, two of them with brake, and on dustproof ball bearings.

The worktops of these carts are available in different materials: HPL, epoxy coated steel, stainless steel and plastic. They are available with raised edges on the 3 sides, or completely flat and can be installed directly on the carts or floating with 4 accessory clamps.

The tables below show you the most frequently requested drawer set-ups for our **MODU-FLEX** carts. Of course, our **MODU-FLEX** carts support even a wider range of set-up possibilities. Please contact us, if your requested set-up is not mentioned in the tables below.
